

AAA Building Maintenance

6006 W 16th Ave

Lakewood, CO 80214

Dear Kyle and AAA Building Maintenance staff:

We would like to take the time to thank you and your crew. Over the past three years AAA has provided outstanding service for the building. From the nightly cleanings to other necessities the building needs, carpet cleaning, floor buffing, we get one hundred percent effort from your staff.

We would personally like to thank Carol and Mike for their hard work each and every night to make sure the building is operational each morning. Our account manager Jason is quite attentive to our needs and is always following up to make sure we are satisfied with the services AAA performs.

We could not ask for a more professional and caring janitorial company than AAA Building Maintenance.

Sincerely,

John H
